HOCKEY: WOMEN'S PLAYOFFS SET

Feb. 21, 1986

Montreal - The Concordia Stinger's Women's Hockey Team finished their season last Tuesday night at the Loyola Athletic Complex with a 1-0 win over the John Abbott College Islanders. The win let the Lady Stingers finish off their season undefeated.

Concordia won the league title by winning 10 and tying two games. There were no losses for Coach Les Lawton's squad this year. The Stingers scored 62 goals and gave up only 10 in 12 games. Concordia rookie Janice McDougall won the league scoring championship, followed by John Abbott's Nancy Moore. Stinger Debbie Gill was also one of the top five scorers in the league.

Because the Stingers played so well during the regular season, they get a bye in the first round of the playoffs and get to represent the Quebec Women's Ice Hockey League (QWIHL) in the provincials. While Concordia competes for the Quebec title, John Abbott College and McGill University, the second and third place teams respectively, will play off to decide who goes up against the Stingers in the league finals.

The Championship series will get underway on Thursday March 6 with the number one Stingers hosting either the Islanders or the Martlets (The winner of the semi-final series). Game two will be in the opposition's rink and game three, if necessary, will be at Concordia on Thursday March 13.
